EDUCATION

EUROPEAN UNIVERSITY OF LEFKE, NORTH CYPRUS |

BS, Software Engineering- January 2024

CERTIFICATES

• Registered Engineer – Pakistan Engineering Council (PEC)

Registration No.: **Comp/025514** | Since: 2024

• Coursera • Python for Data Science, AI & Development

<https://coursera.org/verify/FHE8GA GHMDW6>

• Introduction to Generative AI by Google Cloud

<https://coursera.org/verify/YTAZVQK P6PFF>

• Introduction to Large Language Models by Google Cloud

<https://coursera.org/verify/7W7TJJ4 4C6MH>

Udemy • Achievements OSPE For the Real World

COURSEWORK

- Introduction to Programming
- Object-Oriented Programming
- Data Structures and Algorithms
- Operating Systems
- Databases Management System
- Computer Communication
- Digital Logic Design
- Artificial Intelligence
- Microprocessor
- Project Management

LANGUAGES

- ENGLISH
- URDU
- TURKISH
